CAR PARK COLLECTION & LOCAL DELIVERY PRICE LIST

Honeywell Farm Shop, Eaves Lane,
Woodplumpton, Preston, PR4 0BH
01772 690271

CHRISTMAS SHOPPING **MADE SIMPLE**

This year we're offering car park collection and home delivery options from our Eaves Lane Farm Shop. We've put together a selection of our Honeywell's festive favourites for you to pick from. Build your own box from our curated list of Christmas Dinner essentials.

How to place your Car Park Collection and Local Home Delivery order

Simply have a good browse through the items available to order, select your favourite festive fare, noting the appropriate size bracket if applicable then when you're ready, give us a call on 01772 690 271 to place your order with our friendly team who will take full payment for the order and arrange a 1 hour time slot for collection or a date for delivery

We have a limited number of delivery slots available and we will be prioritising our vulnerable or shielding customers for our home delivery service over the festive period.

Please note the minimum order amount for free local home delivery is £40

Please take your time over placing your order as due to the extra restrictions and procedures in place, once your order has been processed we cannot accept any order alterations. We are unable to swap or add products and we cannot alter your collection site or collection time.

All orders must be placed by 20th December

Car park Collection

We will be offering a 1 hour collection window which will be pre-arranged when you place your order. Please stick to this collection slot or you may face a wait to collect your order.

On arrival

You will be directed to a designated collection zone where our team will ask you to open your car boot, gather your pre-paid order and pop it in the car for you.

Home Delivery

Your order will be delivered to your door on your pre-arranged delivery date. Our driver will knock on the door to alert you that your order has been delivered and will wait until it is received. All orders must be kept refrigerated and cannot be left in a safe place that isn't refrigerated.

Please let us know any specific delivery instructions at the point of ordering.
